OANN, so far, is the only source of Truth of the Matter in OUR USA. With the information given on their channel and our EXPERIENCE of a good part of the world politics, languages, cultures and MORALS, we are able to evaluate the truthfulness and objectiveness of the events described in the newsreel broadcast by OANN. It is UNFORTUNATE that virtually all of the other media are high jacked by special, biased and immoral interests that poison the SOUL of the innocent minds and further the power of SATAN and his Acolytes, melting all bonds that unifies the Americans.
