Dear FCC,

I wish to express my strongest support for the efforts of One America News Network to make certain that this Time Warner/Charter merger is conducted in such a way as to provide protections and equal opportunity to small, independent cable networks like OANN. I am a real fan of OANN's reporting and commentary programs and I don't wish to see the "Big Dogs" of the Cable TV industry have the power to crush/ignore small-time operations like OANN that provide such a unique and quality service to America's Cable TV consumers! Please see to it that appropriate language is inserted into any agreement regarding this merger to guarantee equal access and corporate protection for excellent Mom 'N' Pop cable networks such as OANN!

Thank You!

Sincerely,

A. M. Bonney
