Dear Customer,

We are writing to notify you of the merger of Chariton Valley L.D. Corporation (“CVLD”), your provider of intrastate, interstate, and/or international long distance services, into its affiliate, Chariton Valley Telecom Corporation (“TCOM”). The merger will become effective on January 1, 2016 (the “Merger Date”).

On or after the Merger Date TCOM will replace CVLD as your long distance services provider, and TCOM will assume responsibility for all long distance services previously provided to you by CVLD. Please be assured that the merger and the transfer to TCOM as your provider of long distance services will not interrupt your services or change the rates, terms, and conditions of the services you currently receive. If, in the future, there are any changes to the rates, terms, and conditions of your services, TCOM will notify you by mail.

Unless you elect to use a long distance service provider other than CVLD prior to the Merger Date, TCOM will automatically become your long distance services provider for any long distance services you currently receive from CVLD. TCOM will not impose any charges for the transfer of your long distance services to TCOM and no action is required from you to continue your long distance services with TCOM. If you have arranged for a preferred carrier freeze to block changes to your long distance providers for any of the long distance services involved in this transfer, the freeze will be removed in order to transfer your services to TCOM. If you wish to reinstate a preferred carrier freeze after the transfer, please contact TCOM at 660-395-9635.

You always have the right to select a different service provider for your long distance services. If you choose to switch to an alternative long distance services provider, you may incur a fee from that alternate provider for the transfer of services to that provider. If you currently subscribe to a bundled, one-rate local and long distance service plan provided by TCOM that includes long distances services from CVLD, any switch to an alternate long distance services provider may result in the loss of your bundled service rate from TCOM.

TCOM will be responsible for any questions and complaints that may arise prior to, during, and after the merger for CVLD and TCOM services. Please contact TCOM toll free at 877-695-8088 if you have any questions or complaints.

Chariton Valley Telecom Corporation looks forward to continuing to provide you with quality service for many years to come.

Sincerely,

Chariton Valley L.D. Corporation
