I am looking to appeal a decision made on 472 bear form. Invoice numbers 2281962, 2281961, and 2281511. BEN 99194. Zuni Christian Mission School.

I was day late filing the bear form. ZCMS is a small school in which this money is extremely helpful. We have a small staff and we are all responsible for many things. This deadline simply was forgotten due to other important issues that had to be dealt with.
