- **Appeal Explanation:** GETFUNDED, on behalf of EAGLE College Prep, II, Inc., is appealing application number 998270, which was approved at the discount of 50%, but it should be 80%.

At the time of the filing of the 471, the consultant was given a discount of 50%, when, in fact, the discount is actually at 80%. Since the filing of the 471, there was a change in school contacts. The new school contact forwarded formal document validation upon approval of the FCDL showing that the discount should really be 80%. Please see the attached documentation that verifies their discount at 80%.

Please contact me if you have any further questions about the application.

Thank you in advance for your consideration in this important matter.

Sincerely,

Deanna Mielke
