RE: **CASE #:**

The following documentation is a formal Appeal for the Funding Year 2014 as an **Applicant** for two FRNs: 2632088 and 2632175.

According to the USAC website, you have asked for a number of details. To my knowledge, the enclosed information checks all of the criteria. My contact information is included above if you need additional information.

Problem Statement and Reason for Appeal: The problem was denial of reimbursement of approved allotment, but was denied due to the Service Provider did not Certify the BEAR Form before the deadline. The reason for this Appeal is: BEAR Forms submitted by Applicant clearly shows that enough time was granted for the Service Provider to Certify. Appealing the denial of funds and asking for reimbursement.

Relief Sought: Kearney Public Schools is seeking in this Appeal to be reimbursed the \$907.15 (2632088) and \$7,428.54 (2632175) respectively as requested initially on October 22, 2015 on the BEAR Forms. For a total reimbursement of \$8,335.69.

Thank you for your consideration of this Appeal.
