

60001351975.txt

Requesting reinstatement and extension of USAC approved funding request numbers: 2533877, 2533839 & 2533864. BEAR's were created on 3-7-14 but never completed.

No excuse, I failed to complete these. Please advise how I can possibly reenter or otherwise utilize these approved funding requests?

Thank you, Norman Roberts
