Re: Proceeding Number 15-149

To whom it may concern:

Charter Communications sole provider of Cable Television in Tyrone Township Livingston County Michigan. There are some other services such as Dish or Direct TV available but not with the service capacity of Charter Communications data and voice. Tyrone Township supports the merger between Charter Communications and Time Warner. The proposed merger with Time Warner can make Charter a stronger company that could reduce costs and enhance service not only to our current serviced residents, but also allow for expansion to those areas of our Township without any service.

Thank you for considering my comments and look forward to your ruling.  
Sincerely

Mike Cunningham  
Supervisor Tyrone Township Livingston County Michigan
