Elk City Ind School District filed 2 Bear forms, Frn #2673277 and #2673282 near the end of the invoicing window. Because of our late posting the Service Provider was unable to approve the invoices in a timely manner. We would like to request a Waiver so that we can apply for an invoicing extension with the SLC.

Any help you can give in this matter would be greatly appreciated.

Sincerely,

Cindy Buckmaster
