This Country needs to bring Jesus Christ and God back. This country was once a God fearing nation, ever since the stupid government took God and Jesus out of this country because they have no backbone and are scared of offending other religions this country has gone to shit. What ever happened to Freedom of Religion, its in the consti tution and everything.

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

I know everybody knows this and yet our own government is breaking it. Taking the Bible out of schools and getting rid of the pledge of allegiance. I mean seriously people what the hell is wrong with this nation. Step up government and grow a pair of balls, give us the freedom of religion that we deserve and not what you idiots think is right.

I don't know about everybody else on this but I'm glad that people are not afraid to talk about our Lord and Savior Jesus Christ. I am a God fearing citizen and I support anyone that talks on His behalf!
