Re: Proceeding No. 15-149

Dear Mr. Wheeler,

Charter Communications has been in our Township for over 25 years and has provided outstanding service. It has helped to make us more efficient and provide information in fast, economical way.

I just learned of the proposed merger with Time Warner Cable and Bright House Networks.

I personally do support the merger and I believe it will strengthen the entire communication services provided for our business and residents.

Best of all, I rarely get a complaint from Charter customers and that not only makes my job easier, but tells me they are very satisfied with Charter Communications services.

Sincerely,

G. Ronald Vaughan, Supervisor
