**AMENDMENT TO THE EMERGENCY PETITION  
FOR A TEMPORARY *NUNC PRO TUNC* WAIVER**

Convo Communications, LLC (“Convo”), Hancock Jahn Lee & Puckett, LLC dba Communications Access Ability Group/Star VRS (“CAAG/Star VRS”), and ASL/Global VRS Services Holdings, LLC (“ASL/Global VRS”) (Convo, CAAG/Star VRS, and ASL/Global VRS collectively, “Tier I Providers”) jointly filed on November 25, 2015 an Emergency Petition for a Temporary *Nunc Pro Tunc* Waiver requesting the Commission to waive the application of its 2013 VRS Rate Order to the extent necessary to freeze the compensation rates applicable to the Tier I Providers at the level in effect on June 30, 2015.<sup>1</sup> The Tier I Providers requested the waiver to remain in effect on a temporary basis until the earlier of (i) 16-months from the July 1, 2015 VRS rate reduction and (ii) the date of Commission action on its recently released VRS *FNPRM* proposing to retroactively freeze Tier I compensation rates at the June 30, 2015 level. The waiver request is amended so that the date of the expiration of a 16-month period from July 1, 2015 is corrected to be October 31, 2016 instead of September 30, 2016 as was originally stated in the request.
