Re: MB Docket No. 15-149  
Response of Liberty Broadband Corporation to Commission's  
Information and Data Request

Dear Ms. Dortch:

On December 11, 2015, Liberty Broadband Corporation submitted a USB drive containing Document Nos. LBR-0013375-0016422 and the accompanying Spreadsheet for Liberty Broadband's Production (12/11/15) in response to the Commission's Information and Data Request in the above-referenced docket. The documents saved to that USB drive were labeled "Highly Confidential," but did not include the full text of the "Highly Confidential" designation required by the Protective Order in this proceeding. Therefore, we respectfully request that you substitute the attached USB drive for the USB drive submitted on December 11, 2015.

Please note that such documents contain proprietary and non-public information and are being submitted as "**Highly Confidential**" under the Protective Order in this proceeding. In accordance with the Commission's instructions, the copy of this letter with the Highly Confidential documents is being hand-filed, and copies are being provided to the Media Bureau.
