ST. LAWRENCE SCHOOL

.....where faith and learning grow hand in hand

June 25, 2015

Dear USAC reviewer;

Our school had 168 students enrolled when we filed for 2015 E-Rates.

Before filing our form 471, we distributed surveys to 124 families representing 168 students enrolled in our school.

Each survey contained at minimum, the following information.

Name of Family and first name of each Student
Size of Family
Income level of the family

We received completed surveys from 67 families, accounting for 124 students.

The completed surveys identified 118 students from families whose income is below the E-Rate eligibility guidelines.

Those 118 eligible students make up 70% of the students enrolled. This supports a discount rate of 80%.

We attach ONE completed survey with personal data blacked out.

We keep all completed and returned surveys on file for at least ten years.

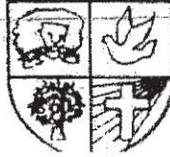

"I certify that only those students who meet the Income Eligibility Guidelines of the National School Lunch Program have been included in Column 5 of Item 9a, of Block 4 of the Form 471."

Respectfully,

Dian Hyatt, Dian Hyatt
