A-H-S-T COMMUNITY SCHOOLS

PROUDLY SERVING THE COMMUNITIES OF AVOCA, HANCOCK, SHELBY, AND
TENNANT

Form 472 (BEAR) invoice number 2249499 was submitted with the wrong form 471 identifier on it. This resulted in the form being associated to our 2015-2016 school year instead of the 2014-2015 school year. By the time I received the notification letter that it was rejected it was past the deadline to re-file. I'm asking for an extension to submit our BEAR form for the 2014-2015 school year.

Ryan Smith
Director of Technology
AHST Community School District
