Dear FCC Appeals Board,

I respectfully request to be allowed to submit BEARs for the remaining available funds for the recurring costs of the 2014-15 funding year.

Our entity did not submit BEAR forms for FRN remaining funds within 120 days of the end of service. End of service for these recurring expenses was June 30, 2015, therefore the deadline was about November 1, 2015.

BEARs were submitted in the spring of 2015 for recurring costs for the first half of the funding year. We would like to receive reimbursements for the latter part of the funding year.

Frankly, we just whiffed on the deadline. We have added BEAR submittal to our annual calendar so as to avoid this situation in the future.
