**RE: Improving Outage Reporting for Submarine Cables and Enhancing  
Submarine Cable Outage Data, GN Docket No. 15-206**

Dear Ms. Dortch,

In the matter of *Improving Outage Reporting for Submarine Cables and Enhancing Submarine Cable Outage Data*, Telstra as part owner of the Australia-Japan Cable, Asia America Gateway, Unity and Australia-Hawaii cables and interested party in most Asia-Pacific international submarine cables landing in the United States, fully agrees with and endorses the comments of the North American Submarine Cable Association.

Yours faithfully,

/s/ Michael Costin
