Re: CC Docket No. 00-257 (Revised Notification of TerraCom, Inc. Pursuant to 47 C.F.R § 64.1120(e)(2))

Dear Ms. Dortch:

On behalf of TerraCom, Inc., and pursuant to section 64.1120(e) of the Commission's Rules, on October 30, 2015 we advised the Commission of a pending transfer of customers of YourTel America, Inc. ("YourTel") to TerraCom effective on or about November 30, 2015, pursuant to a transaction that was characterized as a merger of YourTel into TerraCom. The companies have been commonly-owned affiliates. On November 24, 2015, we revised that notification to advise that the transaction would instead involve a simple reorganization of YourTel wherein YourTel will remain a distinct legal and operating entity as a wholly owned subsidiary of TerraCom. We stated that YourTel will continue to be the service provider in the states it currently serves (Illinois, Kansas, Maine, Missouri, Oklahoma, Pennsylvania, Rhode Island, and Washington), operating as YourTel America, Inc. d/b/a TerraCom. The companies have now determined that in Oklahoma only, YourTel's customer base will be transferred to TerraCom (which is also a provider in that state), effective on or about December 31, 2015. All affected customers have been provided advance notice that their service provider will be "TerraCom," per the October 30 notification.

As described in the prior notifications, there will be virtually no impact on customers because there will be no change in any customer's rates, service plan or terms of service. The only change to customers will be a change in the name of their provider to TerraCom.

Should you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,
