I do not want to loose access to One America News. Charter Communications has already made it clear that they would not carry it. this is not in our best interest as citizens who want both sides of an issue/news. OAN does not do commercials, thereby not being influenced by the political interests of the payers. I do not wish to have my taxes used to bail out another industry either. They have a record of bankruptcies and failed endeavors. Thank you for your attention to this matter.
