Comment: I am strongly opposed to the FCC repealing the ban on foreign ownership of US media. This act of repealing the ban is nothing short of treason, and I think your motives are suspect. Why would you want to allow CCTV, Al Jazeera and Russia Today control of our airwaves? Don't we have enough trouble with ISIS using social media to radicalize suicide bombers? Do you want to give them another tool? Is this your way of getting rid of conservative voices? Without a free press (media), we lose our First Amendment rights.
