Re: **MB Docket No. 15-149**  
**Charter Communications Supplemental Production**

Dear Ms. Dortch:

Enclosed please find a disk containing supplemental materials from Charter Communications, Inc. (“Charter”) in the above-referenced docket. These materials consist of a load file and copies of exhibits Charter previously provided to the Commission in response to the Commission’s September 21, 2015 Requests for Information and Data Requests. The load file is being submitted to facilitate electronic review of the exhibits.

Because these materials contain proprietary and non-public information, they are being submitted on a Highly Confidential basis under the Protective Order in effect in this proceeding. Consistent with the instructions in the Protective Order, the Highly Confidential version is being hand-filed here, and copies are being provided to the Media Bureau. We are also providing a copy of the disk to the Commission’s vendor.

Please let me know if you have any questions.

Sincerely,

*/s/ John L. Flynn*
