Re: Additional Correction to Louisiana, Region 18 700 MHz Plan Submitted on October 26, 2015

Dear Mr. Evanoff:

Per your e-mail and telephone conversation with me on December 21, 2015, I have removed the words "(air-ground)" from the Interoperability Chart listed in "Appendix E" of our Plan. I am submitting an updated "Appendix E" for the Louisiana, Region 18 700 MHz Plan, which was originally uploaded on October 26, 2015. If you have any other questions or concerns, please do not hesitate to contact me.

Thank you,

Michael Musselman, Chairperson
