Waiver of Deadline for Filing *Invoice Deadline Extension Request* for FRN 2501599.

SPI Invoice ID 2069967 for FCC Form 474 was submitted on 9/19/2014. Per Client Service Bureau, the Form 474 was denied 9/22/2014 due to 471/FRN error. However when reviewing remittance information received, invoice ID 2069967 could not be identified to indicate non-disbursement of funds. The non-disbursement notification would have triggered a correction and resubmittal of the Form 474.

Due to not being notified of the error on the submitted 474 for FRN 2501599, please waive the deadline for *Invoice Deadline Extension Request*.
