Re: **Notice of Ex Parte Communication: In the Matter of Use of Spectrum Bands Above 24 GHz For Mobile Radio Services Notice of Proposed Rulemaking; GN Docket No. 14-177**

Dear Ms. Dortch:

On January 5, 2016, AT&T representatives met with members of the Wireless Telecommunications Bureau. The International Bureau and the Office of Engineering and Technology to discuss the above-referenced proceeding. Those present in the meeting or on the phone are listed as an attachment to this letter.

During the meeting, AT&T presented its vision, key issues and architectural concepts for 5th Generation networks using the attached presentation. Additionally we discussed some of the unique proposals contained in the NPRM to get a better understanding of the Commission's goals and objectives for the proceeding.

Pursuant to the Commission's rules, this notice is being filed in the above-referenced docket for inclusion in the public record. Please contact me should you have any questions.

Respectfully submitted,

A handwritten signature in black ink that reads "Stacey Black". The signature is written in a cursive style with a large, stylized "S" and "B".
