RE: Proceeding No. 15-149

Dear Mr. Wheeler:

The Board of Trustees of the Charter Township of Chocolay voted to express its support for the proposed merger of Charter Communications, Time Warner Cable, and Bright House Networks.

Our township is a rural township located in the Upper Peninsula of Michigan, and we have several locations that do not have reliable access to broadband services. This merger will provide an additional method of providing services for our residents in two ways: one, broadband services will be available to those areas and residents that do not have services now; and two, cost of providing those services would be more affordable to all of our residents and businesses.

Based on positive Township Board support, the Township supports the commitment expressed as one that will benefit Chocolay Township.

Sincerely,

Gary L. Walker, Supervisor
