Reason for Request: James French, USAC customer service Case #537, July 31, 2015 confirmed that no BEAR form w submitted by the prior consultant for this funding commitment. Mr. French suggested it would be better to submit a request for extension rather than to submit late at this time.

Submitted extension request online Aug 15, 2015 – #22-824160 but it cannot be located.

I have repeatedly requested information about the form and have now been told to appeal directly to FCC.
