FCC Request for Waiver of USAC Invoice Extension Deadline

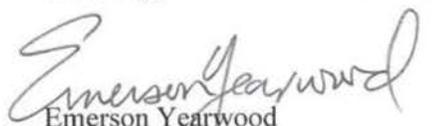

Proceeding: Docket No. 02-6

Service Provider Information: Cable One, Inc., SPIN Numbers 143016933; 143010484

Contact: Emerson Yearwood; 602-364-6195; emerson.yearwood@cableone.biz

It has been brought to our attention that Cable One missed the deadline for certification of BEAR Forms submitted by various Applicants. Our contact person, who is also the authorized person for certification of applicants' BEAR forms, was unavailable and or traveling for periods during the month of October 2015 leading up to and including the October 28, 2015 deadline for certification. Actual certification was submitted on November 4, 2015. A list of affected FY2014 BEAR Forms that may have been certified late is attached. We have notified USAC of this problem and have been informed that a waiver of the USAC extension request deadline from the FCC is required. Please provide a waiver of the extension deadline so that Applicants may resubmit their BEAR Forms for certification.

Sincerely,

Emerson Yearwood
Assistant General Counsel
& Director of Regulatory Affairs
