Chairman Wheeler,

I'm writing to urge you to restore broadband competition by fixing the broken market for high-capacity broadband lines. The FCC must address anti-competitive behavior in this market to reach its goal of delivering better, faster, cheaper broadband to all Americans. The future of our information economy depends on it.

I am a top tier customer and still cannot use a chat channel for a video game, not that it is important but this is an example of what we put up with. Sara L. Richey
