Ms. Sperone: Attached to this e-mail is the worksheet, bill copies, and worksheet certification you requested related to Central A&M Community Unit District #21 Bear form CAMBEAR1415A (I believe) I am relatively new at the E-Rate process and was assigned the form filing tasks when the prior Technology Coordinator for the School District retired and due to finances, we were only able to replace him with a part-time teacher who has 1 planning period per day to work on technology. I am unsure exactly what you meant by "Submitter Invoice Number" and I am assuming it was the Bear form number...is that correct? Anyway, I attempted to reach you by phone today without success when I discovered your e-mail in my Junk section. Unfortunately, I had not checked it recently and see now that you wanted this in your original request by 10/27/2015. I apologize for the delay in not seeing the e-mail and the subsequent delay in response which this caused. Please let me know if you have any questions or are in need of additional information or if I have not understood everything you requested and I will forward any additional information you require. . You may reach me by phone at 217-226-4042. I will attempt to call you tomorrow to make sure that you received this information. Thanks for your help!!! Have a great day!!!

Sincerely,

Rick

ACCOUNT STATUS - Continued

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

ACCOUNT STATUS

Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.
