**Re: Applications of Charter Communications, Inc., Time Warner Cable Inc., and  
Advance/Newhouse Partnership for Consent to Assign or Transfer Control of  
Licenses and Authorizations, MB Docket No. 15-149**

Dear Ms. Dortch:

Yesterday, INCOMPAS submitted a confidential version of its *ex parte* letter dated January 15, 2016 with an amended accompanying Declaration from Dr. David S. Evans. This version of the Declaration corrected a redaction error that failed to remove Highly Confidential Information from the document at footnote 57, and a redaction error that removed Confidential Information that should have remained visible in the confidential version of the document at paragraph 60. This submission contained no other changes to the confidential *ex parte* or confidential accompanying Declaration. INCOMPAS made no changes to the Highly Confidential or redacted versions of its original submission dated January 15, 2016.

Please contact me with any questions.

Respectfully submitted,

Markham C. Erickson  
*Counsel for INCOMPAS*
