SUBJECT: Chesterfield County Schools E-Rate Appeal

The IST building located at 6730 Public Safety Way is the fiber hub for all the buildings on the Chesterfield Government Complex and surrounding area as well as their Dmarc location for Verizon and Sprint data circuits. Four of these building are School Facilities; School Administration, Career and Technical Center and the School Bus Garage. The Sprint Internet circuit in question is only connected to the school's network equipment and is only used by Chesterfield County Schools. Chesterfield County Government has a separate Internet circuit for Government use.
