I get multiple calls everyday from Rachel at Credit Card Services about lowering my interest rate. These calls come from all over the US so you do not know who it is coming from, today it was 928-858-9764 in Arizona. I am on do not call and want something done about this as I am in the Real Estate business and have legitimate calls coming in long distance periodically and this has become very disruptive to me and trying to conduct business.
