RE: Proceeding No. 15-149

Dear Mr. Wheeler:

Please accept this as an indication of the City of Cedar Springs' strong support for the proposed merger between Charter Communications, Time Warner Cable and Bright House Networks. The City of Cedar Springs has had a long working relationship with Charter Communications and is in total support of its proposed merger.

In this technological world in which we live, the importance of fast reliable broadband connections is more important than ever. The fact that Charter has committed to expanding its network by faster internet online services, affordable pricing for seniors and low-income residents and a commitment to creating American jobs speaks of its integrity and commitment to customer service.

The City of Cedar Springs is in full support of this proposed merger.

Should you wish to speak of this further, please do not hesitate to contact me.

Sincerely,

Linda Christensen
City Clerk/Interim City Manager
