RE: Proceed ins No. 15-149

Dear Mr. Wheeler:

I am writing today in support of Charter Communication's proposed merger with Time Warner Cable (TWC) and acquisition of Bright House Networks (BHN).

Charter communications has provided cable television service to Thomas Township for many years. Within the last few years, the company has added high-speed internet service and home telephone service for our citizens and businesses. The company has experienced considerable growth during the years they have been in operation in our community. Their level of customer service has improved significantly during that time. We also appreciate the fact that the company reaches out to us in order to keep open lines of communication regarding changes in their programs, activities and service.

New Charter, the new company the merger would result in, shows a significant commitment to those groups underserved currently due to low and fixed incomes. With our aging population, these new programs could make a great difference in many lives in our community.

Thank you for your consideration,

Sincerely,

Russell P. Taylor
Township Manager
