Re: T-Mobile's Binge On Video Streaming Program; GN Docket No. 14-28

Dear Chairman Wheeler,

On Friday, January 29, 2016, I submitted a report on the net neutrality implications of T-Mobile's Binge On program.¹ Later that day, I updated the report to reflect the addition of four providers to Binge On on January 28. The updated report is attached.

Very truly yours,

/s/ Barbara van Schewick
