Dear Mr. Wheeler,

In our rural township of Secord in Gladwin County, MI we are excited about the potential expansion and merger of Charter Communications with Time Warner and Brighthouse. We feel this move will allow our area to reap the benefits that the build-out of broadband will bring. The New Charter will broaden access and boost the quality of life in our township and surrounding areas. Our citizens are looking forward to being able to access the rest of the world at their fingertips with quick and reliable service.

The Secord Township Board feels this merger will be very advantageous to our citizens.

Sincerely,

Kathy Wilton, Clerk
