**STATEMENT OF POLICY IN TREATMENT OF
CUSTOMER PROPRIETARY NETWORK INFORMATION**

1. It is United Media Broadcasting, Inc. (hereafter referred to as "United Media Broadcasting") policy not to use CPNI for any activity other than permitted by law. Any disclosure of CPNI to other parties (such as affiliates, vendors, and agents) occurs only if it is necessary to conduct a legitimate business activity related to the services already provided by the company to the customer. If the Company is not required by law to disclose the CPNI or if the intended use does not fall within one of the carve outs, the Company will first obtain the customer's consent prior to using CPNI.
2. United Media Broadcasting follows industry-standard practices to prevent unauthorized access to CPNI by a person other than the subscriber or United Media Broadcasting. However, United Media Broadcasting cannot guarantee that these practices will prevent every unauthorized attempt to access, use, or disclose personally identifiable information. Therefore:
 - A. If an unauthorized disclosure were to occur, United Media Broadcasting shall provide notification of the breach within seven (7) days to the United States Secret Service ("USSS") and the Federal Bureau of Investigation ("FBI").
 - B. United Media Broadcasting shall wait an additional seven (7) days from its government notice prior to notifying the affected customers of the breach.
 - C. Notwithstanding the provisions in subparagraph B above, United Media Broadcasting shall not wait the additional seven (7) days to notify its customers if United Media Broadcasting determines there is an immediate risk of irreparable harm to the customers.
 - D. United Media Broadcasting shall maintain records of discovered breaches for a period of at least two (2) years.
3. All employees will be trained as to when they are, and are not, authorized to use CPNI upon employment with the Company and annually thereafter.
 - A. Specifically, United Media Broadcasting shall prohibit its personnel from releasing CPNI based upon a customer-initiated telephone call except under the following three (3) circumstances:
 1. When the customer has pre-established a password.
 2. When the information requested by the customer is to be sent to the customer's address of record, or

3. When United Media Broadcasting calls the customer's telephone number of record and discusses the information with the party initially identified by customer when service was initiated.

B. United Media Broadcasting may use CPNI for the following purposes:

- To initiate, render, maintain, repair, bill and collect for services;
 - To protect its property rights; or to protect its subscribers or other carriers from fraudulent, abusive, or the unlawful use of, or subscription to, such services;
 - To provide inbound telemarketing, referral or administrative services to the customer during a customer initiated call and with the customer's informed consent.
 - To market additional services to customers that are within the same categories of service to which the customer already subscribes;
 - To market services formerly known as adjunct-to-basic services; and
 - To market additional services to customers with the receipt of informed consent via the use of opt-in or opt-out, as applicable.
4. Prior to allowing access to Customers' individually identifiable CPNI to United Media Broadcasting' joint venturers or independent contractors, United Media Broadcasting will require, in order to safeguard that information, their entry into both confidentiality agreements that ensure compliance with this Statement and shall obtain opt-in consent from a customer prior to disclosing the information. In addition, United Media Broadcasting requires all outside Dealers and Agents to acknowledge and certify that they may only use CPNI for the purpose for which that information has been provided.
 5. United Media Broadcasting requires express written authorization from the customer prior to dispensing CPNI to new carriers, except as otherwise required by law.
 6. United Media Broadcasting does not market, share or otherwise sell CPNI information to any third party.
 7. United Media Broadcasting maintains a record of its own and its affiliates' sales and marketing campaigns that use United Media Broadcasting' customers' CPNI. The record will include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign.

A. Prior commencement of a sales or marketing campaign that utilizes CPNI, United Media Broadcasting establishes the status of a customer's CPNI approval. The following sets forth the procedure followed by United Media Broadcasting.

- Prior to any solicitation for customer approval, United Media Broadcasting will notify customers of their right to restrict the use of, disclosure of, and access to their CPNI.
-

- United Media Broadcasting will use opt-in approval for any instance in which United Media Broadcasting must obtain customer approval prior to using, disclosing, or permitting access to CPNI.
