RE: Proceeding No. 15-149

Dear Chairman Wheeler:

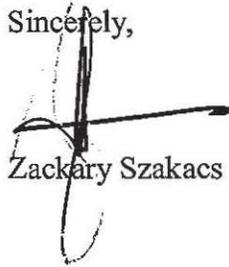

The purpose of this correspondence is to offer my support for the proposed merger between Charter Communications and Time Warner Cable.

As City Manager, I make every effort to provide the best service possible to my community. I strongly believe that this merger will ultimately provide additional benefits to the entire community including opportunities in the resident and commercial sectors.

I am excited about the future possibilities and additional resources that could become available for my community.

Please note that this letter of support of the merger is my personal opinion and not the opinion of the City of Ewart.

Sincerely,

Zackary Szakacs
