Re: **In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149**

Dear Ms. Dortch:

On February 17, 2015, representatives of Charter Communications, Inc. ("Charter"), Time Warner Cable Inc. ("TWC"), and Advance/Newhouse Partnership ("Advance/Newhouse") (collectively, the "Applicants") met with Federal Communications Commission ("Commission") staff copied at the bottom of this letter. Participating for Charter were: Catherine Bohigian, Executive Vice President, Government Affairs; Alex Hoehn-Saric, Senior Vice President, Government Affairs; Christianna Barnhart, Vice President, Regulatory Affairs; and Sam Feder and the undersigned of Jenner & Block. Also participating were Matt Brill of Latham & Watkins and Steven Teplitz, Senior Vice President, Government Relations (via phone), for TWC; and Steven Horvitz of Davis Wright Tremaine on behalf of Advance/Newhouse.

During the meeting, representatives for the applicants discussed the substantial public interest benefits the transaction will deliver to consumers. We also discussed New Charter's verifiable and enforceable commitments, including providing settlement-free interconnection under its interconnection policy and broadband service without usage-based billing or data caps, which will provide the Commission with further assurance that the transaction will serve the public interest and deliver benefits to consumers.

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ John L. Flynn
