

STATES IN WHICH VONAGE MAY REQUEST NUMBERS FOR ITS INITIAL ROLLOUT
OF DIRECT ACCESS

- Arizona
- California
- Colorado
- Connecticut
- District of Columbia
- Delaware
- Florida
- Illinois
- Indiana
- Maryland
- Maine
- Michigan
- North Carolina
- New Hampshire
- New Jersey
- New York
- Pennsylvania
- South Carolina
- Texas
- Utah
- Virginia
- Washington
- Wisconsin

Note: This list includes all the states that have rate centers in the LATAs that Vonage has targeted for its initial rollout of direct access. Because some LATAs have rate centers outside the primary state for the LATA (e.g. Charlotte LATA has a handful of rate centers in South Carolina), it is unlikely that Vonage will request new numbering resources in all of the states on this list as part of its initial rollout.
