Dear Ms. Dortch:

**Notification in Lieu of Annual 47 C.F.R. § 64.2009(e) CPNI
Certification**

EB Docket 06-36

Notification in Lieu of Annual 64.2009(e) CPNI Certification for 2016 covering the prior calendar year 2015

1. Date filed: February 25, 2016
2. Name of company(s) covered by this notification: ComTech Solutions, LLC
3. Former Form 499 Filer ID: 820582
4. Name of signatory: Kevin Jacobsen
5. Title of signatory: Chief Executive Officer
6. Notification in lieu of Certification:

I, Kevin Jacobsen, certify that I was an officer of the company named above, and that I have personal knowledge that during calendar year 2015, the company did not provide telecommunications services or interconnected Voice over Internet Protocol service (the "Covered Services"). The company stopped providing telecommunication services as of November 30, 2014. The company did not provide interconnected Voice over Internet Protocol services in calendar year 2015 and does not provide them today. Notification of the company's ceasing offering telecommunication services as of November 30, 2014, was provided to the Universal Service Administrative Company, and the Commission's website regarding telecommunications carriers notes that the Form 499 Filer ID that the company has is "inactive." See <http://apps.fcc.gov/cgb/form499/499detail.cfm?FilerNum=820582>.

Based on my understanding of the applicable Customer Proprietary Network Information ("CPNI"), the company is not required to submit a Section 64.2009(e) certification because it did not provide any of the Covered Services in calendar year 2015.

As an officer of the company I am filing this notification in lieu of certification to inform the Commission of the company's status.
