RE: MB Docket No. 15-149

September 1, 2015

Tom Wheeler  
Chairman  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554

Dear Chairman Wheeler:

Please accept my letter expressing support of the proposed merger of Charter Communications, Time Warner Cable and Bright House Networks.

My experiences with Charter have been very positive in my expanded relationships with their company and dedicated personnel. We rely on Charter, through their local community television station, Charter TV3 and its Worcester News Tonight newscast, to help us in times of need, such as the importance of blood drive notifications, and community support for those most in need as a result of tragic circumstances throughout the year.

We appreciate the investment that Charter continues to make in their products, services and customer care. And we once again thank Charter Communications for giving us a platform to deliver important messaging for the American Red Cross of Central and Western Massachusetts.

Sincerely,

Lisa Piehler  
Executive Director  
American Red Cross of Central Massachusetts

*Please remember the Red Cross in your will or consider a gift of appreciated securities, life insurance, or real estate to help support and sustain our services.*
