RE: MB Docket No. 15-149

Dear Chairman Wheeler:

Thank you for receiving and reading my comments regarding the proposed merger of Charter Communications, Time Warner Cable and Bright House Networks.

I am pleased to learn of Charter's continued commitment to pro-consumer strategies, which puts consumers first. My experiences with Charter Communications include but are not limited to being a customer of Charter provided services.

BBB has also found Charter's local television station and its newscast to be an excellent community outlet for us to both deliver our message while building our brand identity in protecting consumers.

Our BBB members benefit from advanced technology products and services Charter offers in a competitive environment. We look forward to a continuation of this at affordable prices coupled with Charter's stated commitment to American jobs

Sincerely,
