RE: MB Docket No. 15-149

September 18, 2015

Tom Wheeler  
Chairman  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554

Dear Chairman Wheeler:

Today, I write to you expressing my support of the proposed merger of Charter Communications, Time Warner Cable and Bright House Networks.

Charter Communications and their local TV station, Charter TV3 have provided a long-standing important, timely public service campaign to offset the growing impact of bullying in our schools and communities. Charter continues to play a leadership role across our cities and towns in other community-based initiatives to make this a better place to work, live and raise a family.

Sincerely,

  
Joseph D. Early, Jr.  
District Attorney
