RE: MB Docket No. 15-149

Dear Chairman Wheeler:

Today, I write to you expressing my support of the proposed merger of Charter Communications, Time Warner Cable and Bright House Networks.

I have always found Charter Communications' Charter TV3 and their Worcester News Tonight news programming to play an important role in our community. There have been numerous examples in which the Worcester Unit of the NAACP has been a beneficiary and recipient of news coverage and local programming opportunities so our important messaging and mission statement/objectives are conveyed.

In conclusion, I am very pleased to see of Charter's commitment to promoting diversity in the cities and towns it serves.

Sincerely,

Patricia Yancey
President
NAACP/Worcester Chapter
