RE: Form 472 (Bear) Notification Letter  
USAC Invoice# 2331043  
Billed Entity #142602

Dear Sirs:

I am writing to request a waiver on the deadline of the Form 472 for telecommunication services provided by Century Link (Spin #143005231) for the 2014-15 funding year. USAC recently sent a notice denying approval of payment.

I was given the responsibility of ERATE 1 ½ years ago when the person who had been doing it retired. I feel like I am still trying to get my head wrapped around the whole process. This is in addition to my other responsibilities as administrative assistant to the superintendent. Recently we considered having a consultant do this for us so I held off and then the district decided, because of the cost, this was something we would do.

I hope that I have given you the information that you need to review this request. Please contact me at 208-852-0283, or by email – [lori.heusser@psd201.org](mailto:lori.heusser@psd201.org) if you need any further information.

I appreciate your consideration in this matter.

Sincerely,

Lori Heusser  
Administrative Assistant
