RE: MB Docket No. 15-149

September 22, 2015

Tom Wheeler, Chairman  
Federal Communications Commission  
445 12<sup>th</sup> Street, NW  
Washington, DC 20554

Dear Chairman Wheeler:

Please accept this letter indicating my support of the announced plans by Charter Communications Inc. to purchase Time Warner Cable Inc., and Bright House Networks LLC.

My workings with Charter Communications include a strong relationship with Charter TV3, their local television station and its Worcester News Tonight newscasts, which provide an outlet for me to share important community work done by the Sheriff's Office. Their standings in our community and commitment are second to none.

We also appreciate the public service announcements generously provided by Charter Communications' Charter TV3 for initiatives such as our annual Food and Coat Drives, as well as other charitable endeavors. The present reporters, news staff and employees of Charter Communications' have been professional, honest and work with integrity for Charter Communications.

In conclusion, I salute Charter's commitment to growing its employment by investing in customer care and field technician operations across its national footprint.

Sincerely,
