I watch RFD-TV on DirecTV, VERY IMPORTANT.

I watch RFDTV about 95% of the time. I enjoy watching so many different types of shows like train shows, news, agriculture, horse shows, music shows, tractor shows auctions and many others. RFDTV enhances my life as well as being informative. There is nothing else offered like RFDTV on any other channel. The fact that it is family oriented is a big plus for me as well. People must have RFDTV.
