I PREFER to watch One America New Network over the big loud mouthed other news manufacture. OAN keeps the news sweet, truthful, on the money & doesn't have 3 or 4 people stating their opinions. They place the new on line & tell it truthfully. We need this kind of news stations, because all the other Stations as just selling their side of the story & it gets cloudy that way. Keep OAN on TV & Cable for the people of the United States of America. Proud to be an American. Family here before the Revoluti onary War. Thank you, 65Young.
