Enclosure

Annual 64.2009(e) CPNI Certification for 2016 covering the prior calendar year 2015

1. Date filed: March 1, 2016
2. Name of company(s) covered by this certification: Low Latency Communications, LLC
3. Form 499 Filer ID: 831188
4. Name of signatory: Matthew D. Hardeman
5. Title of signatory: Vice-President
6. Certification:

I, Matthew D. Hardeman, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company had not initiated a service offering subject to this section of the Commission's rules during the course of 2015. Although we obtained a filer ID in November 2015 with an anticipated service starting date of December 2015, we did not begin acting in any capacity covered by these regulations during the course of 2015.

This filing is being made out of an abundance of caution. We wish to make clear that we are aware of our obligations regarding CPNI moving forward and that we anticipate filing a CPNI certification during 2017 covering 2016;

The company has not taken actions (i.e., proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received customer complaints in the past year concerning the unauthorized release of CPNI.

The company represents and warrants that the above certification is consistent with 47 C.F.R. § 1.17, which requires truthful and accurate statements to the Commission. The company also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.
